**Approved By:** Michael Lamar, City Manager

**Item Summary**

This item is to approve City Contract Nos. 2020-031 through 2020-039 to various contractors at pre-set unit prices for Operated Equipment services in Prescott, AZ, utilizing the cooperative use agreement within the respective Yavapai County Contracts.

**Background**

This item is to approve new City Contract(s), with nine (9) contractors for Operated Equipment services utilizing the cooperative use agreement within the respective Yavapai County Contracts. The operated equipment services will be used throughout FY20 by the Streets, Water and Wastewater Divisions to provide supplemental equipment and manpower to accomplish maintenance activities where these services can better improve efficiency and allocation of City crews. Services and equipment provided by these contractors can assist with paving, dirt work, brush, landscape and drainage maintenance, concrete and other tasks using miscellaneous equipment and trades people. Contracts may be awarded to any of the following contractors included in the Yavapai County contracts for all operated equipment services to meet the anticipated needs of the City of Prescott.
