

**MEETING DATE/TYPE:** VOTING MEETING 10-8-19

**DEPARTMENT:** Recreation Services

**AGENDA ITEM:** Approval for the Purchase of one (1) Greensmaster 3150-Q Mower in an Amount not to Exceed \$35,417.53, and One (1) Workman HDX-4WD in the Amount of \$32,017.26 (City Contract No. 2020-072). Funding is Available in the Golf Course Maintenance Fund.

**FUNDING SOURCE:** Golf Course Fund

**Approved By:** Michael Lamar, City Manager

### Item Summary

This item is for the purchase of one (1) Greensmaster 3150-Q Mower in an amount not to exceed \$35,417.53, and one (1) Workman HDX-4WD in the amount of \$32,017.26. All will be purchased using Mohave Contract 15G-SNC-0824. (Contract No. 2020-072)

### Background

The last purchase of mowers and work carts took place in 2007. The current fleet of mowers has an average of 7,000 hours. This is well above the industry standard for usable life expectancy. The current fleet has a high maintenance cost to keep them up and running.

With the purchase of a new Greens Mower and a utility cart we will be able to be more efficient in the maintenance of the courses and will save money in repairs. The old equipment will be sent to the City auction.

### Financial Impact

The funds for this capital expense are available in the FY 2020 Golf Course Fund.

### Attachments

1. Toro Warranty Statement
2. Greensmaster 3150-Q
3. Workman HDX
