Public Hearing and Action Procedure

The City Council's recommendation of approval, disapproval or no recommendation will be forwarded to the Department of Liquor Licenses and Control ("Department") for their consideration.

Recommendation of Approval

If the City Council recommendation is for approval, no hearing is required unless the Director of the Department, the State Liquor Board ("Board"), or any aggrieved party, requests a hearing on the grounds that the public convenience and the best interest of the community will not be substantially served if a license is issued. If no hearing is requested, the Director may approve the license.

Recommendation of Disapproval

If the City Council recommendation is for disapproval of an application, a statement of the specific reasons along with a summary of the testimony or other evidence supporting the recommendation for disapproval is required to be attached to the order of disapproval and submitted to the Director, after which a public hearing will be held.

No Recommendation

If the City Council makes no recommendation, the Director may cancel the hearing and issue the license unless the Board or any aggrieved party protests and requests a hearing. If the reason for the protest is clearly removed or deemed satisfied by the Director, the Board shall cancel the hearing and the Department may issue the license.
