

**MEETING DATE/TYPE:                      VOTING MEETING                      12-13-16**

**DEPARTMENT:      Recreation Services**

**AGENDA ITEM:** Adoption of Resolution No. 4369-1578 approving a Joint Use Agreement with Yavapai County Community College District for emergency use of Grace Sparkes Activity Center (City Contract No. 2017-188)

**Approved By:** Michael Lamar, City Manager

**Item Summary**

The City and Yavapai County Community College District would like to enter into an agreement allowing Yavapai College to use Grace Sparkes Activity Center under emergency circumstances, which can occur with little or no advance notice.

**Background**

In August 2016, Yavapai College approached the City to request use of Grace Sparkes Activity Center for emergency circumstances. The City would allow the College use of the Armory (Grace Sparkes Activity Center) as an information and reunification center in the event that the College Emergency Operations Center Manager, law enforcement, or fire/rescue order a full or partial evacuation of the Prescott campus or close the campus to traffic.

The Armory will provide a secure location for families to reunite following a campus evacuation. Per the agreement, it may also serve as a place for interested parties and media to gather for statements and updates.

**Financial Impact**

No financial impact is anticipated with this agreement
