### **Series 15 Special Event Liquor License**

Special Event Liquor Licenses are processed in a similar manner as other liquor license applications, except that there are no posting or protest period requirements, and no school location restrictions. These licenses permit the sale of all spirituous liquor for consumption on the licensed premises. They can be issued only to: (1) a political party or campaign committee; (2) an organization formed for a specific charitable or civic purpose; (3) a fraternal organization in existence for over five years with a regular membership; or (4) a religious organization. Qualifying organizations will be granted a special event license for no more than ten (10) days per calendar year. The State places primary emphasis on the City's recommendation in deciding whether or not to issue these licenses.

### **Financial Impact**

The application and license fees have been paid.
