

MEETING DATE/TYPE: VOTING MEETING 9-12-17

DEPARTMENT: City Manager

AGENDA ITEM: Adoption of Ordinance No. 5046-1586 to set a speed limit of fifteen miles per hour (15 MPH) in City-owned alleys. The cost of the speed limit signs assuming 2 per alley segment (in alleys owned by the City) is estimated to be \$43,095.00.

Approved By: Michael Lamar, City Manager

Item Summary

This ordinance amends Title IX, Chapter 9-1, Section 9-1-16, of the Prescott City Code by adding a new subsection 9-1-16(J) setting a fifteen mile per hour (15 m.p.h.) speed limit in alleys located in the City limits for the best interests of the health, safety and welfare of the City of Prescott.

This speed limit would only apply to City-owned alleys. Private alleys would not be subject to any City speed limit.

Financial Impact

The cost of the speed limit signs assuming 2 per alley segment (in alleys owned by the City) is estimated to be \$43,095.00. The estimated cost of each sign and installation would be \$276.25 (\$92.36 labor costs and \$124.39 of material costs) with a total of 156 signs.

This assumes the signs will be mounted and placed in the ground. According to the estimate the sign post is \$45.19 of the overall cost per sign.
