

MEETING DATE/TYPE: VOTING MEETING 1-22-19

DEPARTMENT: Field and Facilities Services

AGENDA ITEM: Award Invitation for Bid No. 2019-153 (City Contract No. 2019-153) for Golf Course Bunker Renovation to Wadsworth Golf Construction in the amount of \$38,110.00. Funding is available in the Golf Course budget.

FUNDING SOURCE: Golf Course Fund

Approved By: Michael Lamar, City Manager

Item Summary

The City of Prescott Recreation Services Division is seeking to renovate 2 golf course bunkers at the golf course that are deteriorating and in need of repair, and construct 3 new bunkers. This will include contractor owned equipment and all materials necessary to complete the project. The completion deadline is March 1, 2019.

Background

The golf course has sand bunkers located on the fairways designed to increase the challenges of play. Over the years wind, rain, and snow contribute to erosion, soil contamination, deteriorated edges, and poor compaction.

The Recreation Services Department issued an Invitation for Bid (IFB) to renovate 2 golf course bunkers due to deterioration and construct 3 new fairway/rough bunkers. The bunkers are located on holes 4, 16, and 18 of the north course and are approximately a total of 21,650 sq. feet in size. The IFB requested reconstruction and demolition services to include: labor, demolition, reshape and modify, install new drainage, providing and hauling of material, remove tree stumps and sand compaction.

The Recreation Services Department received two proposals per the following:

Contractor	Amount
Wadsworth Golf Construction	\$38,110.00
Pro Turf International	\$39,974.00

Financial Impact

AGENDA ITEM: Award Invitation for Bid No. 2019-153 (City Contract No. 2019-153) for Golf Course Bunker Renovation to Wadsworth Golf Construction in the amount of \$38,110.00. Funding is available in the Golf Course budget.

Funding of \$38,110.00 is available in the Golf Course budget.
