

MEETING DATE/TYPE: VOTING MEETING 1-22-19

DEPARTMENT: City Attorney

AGENDA ITEM: Approval of Municipal Judge Contract.

FUNDING SOURCE: General Fund

Approved By: Michael Lamar, City Manager

Item Summary

By law, municipal judge contracts are required to be for a two-year term. Approval of this item will allow for Judge Savona to act as the City's municipal court judge through 2020.

Background

When Judge Savona was appointed as Justice of the Peace effective January 2017 to replace retired Judge Markham, the City continued with its long practice of hiring the JP as the City Judge. The City has a separate IGA with Yavapai County for joint court operations. The subject contract mirrors the current contract, which expired at the end of 2018.

Financial Impact

The municipal court operations are paid from the City's General Fund.
